

**Bohr Diagrams and the Periodic Table**

- 1. Label the group or family numbers at the top of each column.
- 2. Label the name of each group at the bottom of the Periodic Table. Outline each group using a specific colour (and a ruler).
- 3. Draw Bohr diagrams for the first 20 elements. Use the spaces in the Periodic Table below for your diagrams.

Group number:

--	--	--	--	--	--	--	--

Group names:

--	--	--	--
