

NAME: \_\_\_\_\_

### Respiratory System Labeling

1. Using the word bank below label the respiratory system. When you are finished **color each part** of the respiratory system.

left bronchus  
nose  
right bronchus

trachea  
alveoli  
larynx (voice box)

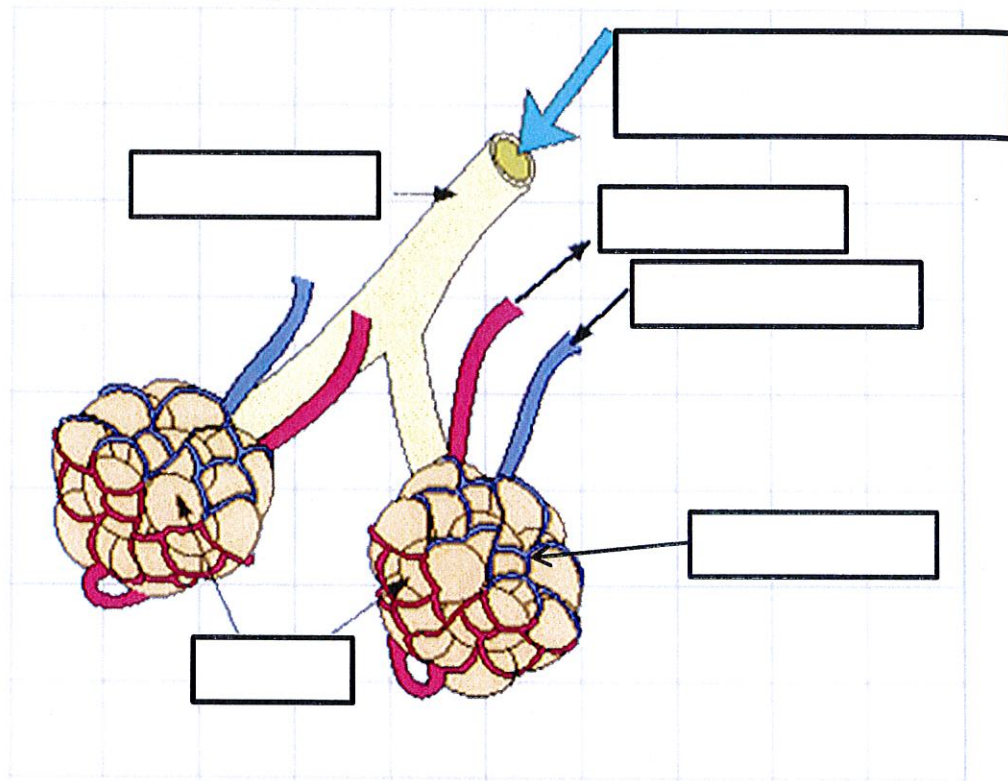

mouth  
right lung  
bronchiole

pharynx (throat)  
left lung  
nasal cavity

diaphragm  
oral cavity  
epiglottis

## Respiratory System Labeling

2. Use the word bank below the image to label the alveoli.

Bronchiole      Deoxygenated Blood  
Oxygen In/Carbon Dioxide Out      Oxygenated Blood  
Alveoli      Capillaries

3. Label each picture as either inhalation or expiration.
