

Patterns in Reactions

Synthesis reaction

Decomposition Reaction

Oct 1-7:54 AM

Single displacement reaction

- metal displacing a metal in a compound
- non metal displacing a non metal
- metal displacing hydrogen

Oct 1-8:12 AM

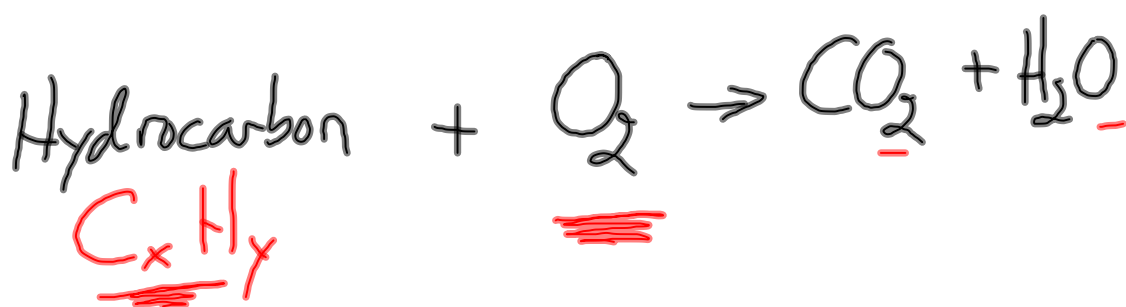

Double displacement

- metal ions/cations switch with metal ions/cations

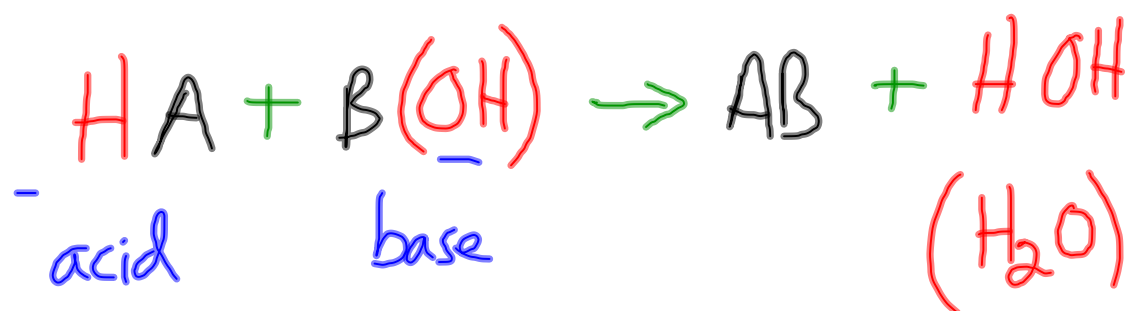

Oct 1-8:18 AM

5. Combustion/Oxidation

Oct 1-8:25 AM

6. Neutralization
(a type of double displacement)

Oct 1-8:29 AM

Oct 1-8:44 AM
